ABOUT:

I am a student at the University of California, San Diego majoring in Interdisciplinary Computing and the Arts (ICAM), minoring in Computer Science. I am passionate about **storytelling** in all mediums, **technical** and **artistic**, and am particularly interested in **film** and **writing**. I'm capable in languages such as **Java**, **HTML**, **CSS**, (and learning **C**), proficient in **Adobe** applications (i.e. **Photoshop**, **PremierePro**, **LightroomClassic**), and have **production** experience. In any space, I prioritize respect, **adaptability**, and **growth**, and desire to build strong connections with my peers and leaders. I enjoy **problem solving** and can **write academically** and **professionally**.
